## FAQ's

### WILL THIS SHIFT BOOT FIT MY JEEP?

THESE SHIFT BOOTS HAVE BEEN DESIGNED TO BE INSTALLED IN PLACE OF THE ORIGINAL RUBBER BOOT. IF YOU HAVE AN ORIGINAL RUBBER BOOT OR A REPLACEMENT THAT YOU HAVE PURCHASED FROM A LOCAL RETAILER, THEN YES, THESE BOOTS WILL FIT, AND IN STOCK MOUNTING HOLES. WORST CASE, IF THEY DO NOT, WE WILL OFFER HELP TO DETERMINE WHY IT WILL NOT FIT OR OFFER A REFUND.

### WILL THIS SHIFT BOOT A DIFFERENT TRANSMISSION/ TRANSFER-CASE THAN SPECIFIED?

THE SHIFT BOOTS WERE DESIGNED SPECIFICALLY FOR THE TRANSMISSIONS LISTED, HOWEVER, THAT DOES NOT MEAN THEY CANNOT BE ADAPTED TO OTHER USES. CHANCES ARE, WE MAY BE COMING OUT WITH A BOOT SPECIFICALLY FOR YOUR JEEP! EMAIL US AND ASK!

### DO YOU MAKE A TWIN-STICK BOOT FOR US WHO HAVE UPGRADED THE T/C?

SHORT ANSWER, YES! VISIT OUR WEBSITE AND SORT THE PRODUCTS BY THE TWIN-STICK OPTION TO SEE WHAT IS AVAILABLE.
